

What is BYKE?

The thrill of drafting behind your cycling mates and pushing hard on every pedal stroke gives us cyclists a sense of energetic excitement that motivates us to go further and challenge ourselves.

At YAS, we want to be there for the cyclists, protecting every second of your expeditions on two wheels. 'BYKE' is an insurance that provides coverage for cyclists, which gets rid of the worries when riding, giving you more reasons to take on challenges on the roads of Malaysia.

Coverage Period

We thought a shorter commitment for your beloved bike(s) will ease your load especially if you love to shop for your cycling apparels, gears and accessories. We try to keep a good annual rate for those who want less hassle and pay all in one go.

Coverage Period	Premium Rate
Annual	4% of your bicycle value or minimum of RM250.00
Semi-Annual	2% of your bicycle value or minimum of RM130.00
Quarterly	1% of your bicycle value or minimum of RM65.00
